Tour Itinerary

Day 1 :- Embarkation - in Bergen

Welcome to Bergen! Your voyage begins in this beautiful city on the west coast of Norway. What began as a small village was developed by King Olav Kyree in 1070 AD and is now Norway's second largest city. The majestic peaks that famously surround the city give Bergen its nickname, "The City of Seven Mountains".

Dinner

Day 2 :- Åndalsnes

Located at the mouth of the river Rauma on the shores of the Romsdalfjord, Åndalsnes is a picturesque coastal town, home to about 2,000 people. The literal highlights of Åndalsnes are the mountains that tower over the town and which line the Romsdalen valley. Trollveggen, the Troll Wall, is one prominent cliff with a vertical drop of more than 1,000 metres, making it popular for BASE jumpers.

Breakfast Lunch Dinner

Day 3 :- Træna

Træna is an archipelago that sits along the Helgeland coast at the edge of the Arctic Circle, 33 nautical miles northwest of the mainland. Made up of around 500 islands, islets, and skerries, only four are inhabited year-round. Spend the afternoon in one of Norway's oldest fishing communities and maybe join a local hike. When it's time to leave in the evening, take some time to rest onboard and unwind. We'll cross the Arctic Circle as we continue heading north, commemorating the moment with a little Norwegian ceremony.

Breakfast Lunch Dinner

Day 4 :- Reine

Today, we explore the famed Lofoten Islands. Watch for the steep mountains rising from the sea as we approach from the south in the morning. At the heart of this tiny village is the Norwegian Fishing Village Museum, which covers the importance and development of fishing in Lofoten over the last 250 years.

After exploring, the ship departs, offering stunning views of the North Cape plateau from the Barents Sea as you continue your journey.

Day 7 :- At Sea

In the afternoon, you'll view Bjørnøya (Bear Island), the southernmost island of the Svalbard archipelago. The island is barren, with only moss and lichen growing, and is home to abundant seabird colonies like Puffins, Little Auks, and Kittiwakes. Despite its name, there are no polar bears here, only Arctic foxes. This scenic stop provides a preview of your Svalbard adventure.
