Tour Itinerary

Day 1 :- Fermantle - Geraldton

Get set for a good dose of coastal drama today as you journey north from Freo all the way to Geraldton. But before you get there, pause in Yanchep National Park, a union of bush and wetlands that is as spectacular as it is sacred. The best way to understand its significance to First Nations communities is in the company of an Aboriginal guide. On this MAKE TRAVEL MATTER® Experience, hear how stories are taught, told and used, didgeridoo playing, and hands on learning with traditional tools. Just try not to leave more informed than when you arrived. Two national parks in one day your next stop is Nambung. We'll forgive you for thinking you've been transported to the set of a sci fi movie when you arrive at this moonscape, studded with limestone pillars stretching into the sky. Welcome to The Pinnacles. Arriving in Geraldton, more moving moments await at the evocative HMAS Sydney Memorial.

Day 2 :- Geraldton - Monkey Mia

Get set for Monkey Mia, located in the heart of the Shark Bay World Heritage region. Keep your sunnies handy at Shell Beach, a powder white cove formed from billions of coquina bivalve shells up to 10 metres deep, and Hamelin Pool, the world's best known colony of stromatolites. Believe it or not, these rock like formations are alive. Aboriginal communities have lived on the land here for 65,000 years, and you'll discover some of this history when you join proud Nhandu man Darren 'Capes' Capewell. This experience includes a tasting of bush tucker cooked over a campfire.

Breakfast Dinner

Day 3 :- Monkey Mia Free Time

Bring your stamina today's adventures begin early. But if there's anything worth getting out of bed for, it's Monkey Mia's wild dolphins, which swim close to shore to greet visitors every morning. The rest of the day is at leisure. We wouldn't blame you wandering barefoot along the beach, ordering sundowners as the day disappears in a blaze of glory. Perhaps the best way to gain perspective of the vast coastline is on a scenic flight over Shark Bay Marine Park (own expense).

Breakfast

Day 4 :- Monkey Mia - Kalbarri

Millions of years ago, the Murchison River carved its way through Kalbarri National Park, leaving behind echoing inspiring gorges of red and white banded sandstone as well as soaring coastal cliffs. It's quite the sight, and best taken in from a height. Enter the Kalbarri Skywalk, a precipitous projection 25 metres beyond the gorge rim and a dizzying 100 metres above the river. Here you'll be welcomed to Country by an Indigenous guide, explaining the stories behind the land on which you stand. Learn about bush foods, medicine plants and the traditional uses of local flora. Hear stories about growing up on country and learn about the social history of the region from an Aboriginal perspective. Look around you there's plenty to eat in the Aussie bush, not to mention traditional medicines to cure what ails you.

Breakfast Dinner

Day 5 :- Kalbarri - Perth

If you thought you'd seen it all, wait until Hutt Lagoon appears on the horizon. One of Western Australia's eye popping pink lakes, this body of highly salty water changes hue at different times of the year sometimes it's bubblegum, often it's lilac, occasionally it's red. It's always incredible. What a blazing way to end your WA stay. But wait, you still have a Farewell Dinner and drinks with your new friends.

Breakfast Dinner

Day 6 :- Farewell Perth

Short and sweet, we hope your journey inspired extended West Australian wanderlust.
