Tour Itinerary

Day 1 :- Glasgow, Scotland (Embarkation)

In the heart of the **Clyde Valley**, the bustling city of **Glasgow** contrasts starkly with the wild beauty of the surrounding countryside. Scotland's biggest city overflows with landmarks from its extensive artistic heritage and outstanding architectural tradition. The city's chequerboard layout makes walking through the major pedestrian thoroughfares easy: go with the flow and let the lively street atmosphere take you past the many Victorian monuments. Don't miss the collections on display in the numerous museums and art galleries. The Kelvingrove Art Gallery and Museum is an outstanding example.

Dinner

Day 2 :- BELFAST, NORTHERN IRELAND

The **capital city of Northern Ireland** is located on the very tip of Belfast Lough, in the north-east of the Emerald Isle. Along the waterfront, the building shaped like a fragmented liner is none other than the Titanic Belfast, a homage to the famous transatlantic liner, with full-scale reconstructions making for an insightful experience of the Belle Epoque. In the historical centre, you'll also travel back in time when you see the majestic Edwardian columns of the City Hall, and the imposing neo-gothic towers of Queen's University for example. The carved wooden façades of the Victorian pubs will certainly entice you in for a pint of beer or chilled cider.

Day 3 :- SAILING ON LOCH LINNHE - FORT WILLIAM

Loch Linnhe is located in the Scottish Highlands, stretching between the Isle of Mull and Fort William. Sail in the heart of picturesque landscapes and admire the formations of the magnificent mountains and valleys surrounding the loch, including the famous Ben Nevis. The pure waters of Loch Linnhe are teeming with marine life; harbour seals may be found among its faithful inhabitants. The Shiant Islands derive their name from the Gaelic, *Na h-Eileanan Seunta*, which means "enchanted isles". Whether in the mist that frequently envelops the archipelago or beneath a radiant sun, the visitors discovering the Shiant Islands quickly fall under their spell.

Breakfast Lunch Dinner

Day 4 :- STORNOWAY, HEBRIDES

Discover **Lewis**, the largest island of the Hebrides, considered to be the cradle of Gaelic culture. Here, the peat- and heather-covered valleys and lochs stretch on to infinity, and numerous bird colonies have taken up residence in the long, jagged coastlines where. Not far from **Stornoway**, the island's main town, built by the Vikings in the 9th century stands one of Scotland's most prominent prehistoric sites: The **Standing Stones of Callanish**. Dating back to more than 3,000 years B.C., these imposing stones placed in a cruciform pattern were laid out according to the moon and stars and their main purpose was to keep track of seasonal cycles, as this was essential for farmers at the time.

Day 5 :- SUDUROY ISLANDS, FAROES ISLANDS

Suduroy Island, literally "South Island", has one of the smallest populations in the **Faroe Islands**. It has sheer cliffs along its western face. The island is an important breeding ground for seabirds, including **northern fulmars**, **black-legged kittiwakes**, **Atlantic puffins**, and **guillemots**. You will be guided through the island, exploring its authentic villages with black, tarred-wood churches typical of the Faroe Islands, as well as its hiking trails lined with peat fields and stone sheepfolds. Sheep are indeed omnipresent throughout the Faroe Islands — in fact, there are more sheep than humans —, and they add to the charm of these wild landscapes.

Day 6 :- STREYMOY ISLANDS, FAROES ISLANDS - SAILING ALONE, FAROE ISLANDS COASTS

Streymoy Island is the largest and most populated of the **Faroe Islands**, with 22,500 inhabitants. Lying between Scotland and Iceland, the 18-island Danish archipelago boasts natural wonders that will fascinate lovers of the great outdoors. Here, the hilly green landscapes stand in contrast with the huge basalt cliffs and the invigorating air shifts with the moods of the ocean. To the north, the small village of **Saksun**, with its traditional grass-covered rooftops, has 14 inhabitants. In the curve of a magnificent natural amphitheatre, it overlooks a fjord with a lagoon: an idyllic setting in a secluded and peaceful environment. To the west, in **Vestmanna**, myriad birds nest in the crags along the eroded and vertiginous cliff faces. The Faroe Islands, an archipelago formed by volcanic rock, reveal an incredible diversity of reliefs where the sea is ubiquitous: you'll sail past stone pinnacles and unique coastlines. To the west of the island of Vagar stand **Thindolmur** and **Drangarnir**, rocky outcrops that marine erosion have detached from the coast, thus forming independent islets known as stacks

On land, the town is shadowed by Búlandstindur, a pyramid-shaped basalt mountain peaking at 1069 m, making for an incredible sight. Numerous local legends surround this mountain, which is said to grant wishes during the summer solstice.

Day 9 :- HEIMAÆY, VESTMANNAEYJAR - SAILING AROUND SURTSEY ISLANDS

This land seated off the southern coast of Iceland is the largest of the **Vestmann islands**, and is the only inhabited island in the archipelago. From here, you can also see the bronze landscapes of the mountaintops. You could visit **Eldheimar**, an ultra-modern and interactive museum which traces the volcanic eruption has experienced Heimaey in 1973. A small drop of basalt in the North Atlantic Ocean, **Surtsey** is a volcanic island formed by a submarine eruption that lasted from 1963 to 1967, off the **Westman Islands** to the south of Iceland. The island is a UNESCO World Heritage Site. To protect its **virgin ecosystem against human presence**, it is forbidden to land there.

A little further, one can easily spot the signpost showing the way to the evangelical **Hallgrímskirkja** church, and to the historical centre where one can stroll along the Skólavörðustígur and the Laugavegur, two lively streets with charming small shops.
